Headteacher's Welcome

Coast
and Vale
WHERE LEARNERS AND STAFF THRIVE

This school year came to a fitting close with our whole school community taking part in our sponsored walk.

Our sponsored walk is very much a tradition at Filey School, and in addition to raising funds for local charities, it gives our students, colleagues and volunteers chance to enjoy the beautiful coastal area we live in together, as a community. Pupils of all ages got involved and tackled the weather head-on to raise money for their local area. It's been a real privilege to receive comments from residents in Filey about how excellent our students' conduct was on this walk. Thank you so much for taking the time to share this praise with us; we do pass them on to our students and colleagues and watch their sense of pride in themselves, our school and community grow as a result. It's wonderful to receive recognition for how wonderful our students are.

Looking back at this year, I'm incredibly proud to note how far we have come as a school, celebrating our strong Filey history and building an education that is fit for the future. We are committed to ensuring all students at Filey School are successful students who value the community we belong to highly and have come a significant way in our journey so far.

I'd like to thank each of you that took time and care to complete our parent surveys over the last two terms. I'm delighted to hear that our pastoral care is now overwhelmingly viewed as positive and that students feel safe and happy in school. I have also listened to your feedback and particular areas, such as parental communications and our rewards/detentions procedures will be a focus for us throughout the coming year. Please do make sure you download the parent app for instant communication with us. Instructions about how to do this are shared later in this newsletter.

I'd like to personally thank the students and their families who came to the end of their school journey with us this year. I remember meeting this year group during their very first days in year 7 and am so proud of the people they have grown to become. I look forward to seeing each of you as you collect your GCSE results in August and again at your rewards ceremony in November.

I'd also like to extend my thanks to our new governing body and to Mr McCarthy at Filey Juniors and Mr Fox at Hunmanby Primary school. We are so lucky to have people that care about our community and school as much as they do; their support of our school during our first year as we transition back to being Filey School has been incredible. I look forward to working closely with you all again in the coming year.

As we look forward to the next academic year, I'd like to offer a warm welcome to all the students and their families who are starting their journey with us at Filey school, in addition to the new colleagues who we are delighted to be welcoming to our Filey School community. It really is an exciting time to join our school and trust and we're very much looking forward to seeing you all in September!

I do hope everyone has an enjoyable summer break.

Class of 2023. Our Year Eleven Leavers.

Coast
and Vale
WHERE LEARNERS AND STAFF THRIVE

Year Eleven June 2023

I took over as form tutor for this year group at the start of the year. I have been a form tutor many times in my career but I have to say I have never had the privilege of helping shape the futures of a better bunch of students than those in my form this year.

The form group was comprised of so many wonderfully different and unique personalities, who, when they combined as one form, were a special group of students.

I hope that in some small way I have been able to impact on their life choices and decisions and I wish them all the luck in the world as they embark on a new chapter in their lives.

I'm proud of each and every one of you.

Mr Gunning

I am truly proud to have been the form tutor for my group for 4 years. I became 11BGo's form tutor during my first year at Filey and have seen them through from Year 8 to Year 11.

This is group of truly exceptional individuals, who I wish the best of luck in all the things they achieve in life, I know they are destined for great things in the future.

As a form tutor, I have seen the highs and lows, laughs and tears but as a group the class of 2023 have overcome so much adversity to gain so many academic achievements whilst also making some amazing memories at Filey School.

I will miss you all and I wish you all the best for the future.

Miss Gordon.

Pictures from the Prom

Coast and Vale
WHERE LEARNERS AND STAFF THRIVE

The Year 11 prom was held at The Downe Arms Hotel in Wykeham was a tremendous success. As you can see from the photographs the students dressed to impress and both staff and students had a fantastic evening. It was a fitting celebration for a wonderful year group.

Huge thanks and congrats to Anya and Lucas and Miss Colling who made the evening such a personal and fun filled event!

Alice

Inner Monologue Writing

Turning through the rusted wooden door, I gasp, feeling excited to see so many shades of green around me, emerald and sage, also green and asparagus. Lushness surrounds me from above, the smell of nature rushed to my nose. It had the most enchanting thing I've ever seen. Turning around, I admired the artwork of the magical wooden door that brought me there. Carved into the rusty bark of an ancient oak, it had standing at its base the wood had just been carved on, the birds started flying upwards in the canopy of trees, and birds started up, whistling through the trees. Looking up, I stare in wonder at the enchanting Lushness, every light, turning yellow in the setting sun. I had a deep breath in through my nose, breathing in the wonderful smell of the woodland. It was indeed a few metres away from me, the vibrant green trees glimmering in the light.

Looking along the river bank, I notice a little jetting of the grassy river bank. Looking to a walk, I suddenly stop and it seems as if it would hold my weight. I didn't need to worry as it held, whether it was like light I am or if it had just started. I don't know. The heat beneath my feet feels hot after the light, cooling grass. The dim light of the setting sun is streaming through the trees, with green the river sitting on my skin. Looking water flowing out all other around, I stare down at my rippling reflection, hoping that this is real and not a dream.

- ⑤ Incredible choices of vocabulary to describe the senses, with lots of interesting description.
- ⑦ Try to include a simple sentence to vary your subject by pos.

Ffion

Inner monologue writing

I rub the rusty, vintage door knob attached to the mesmerising ruby red door and was waiting to see what was beyond. The paradise-like forest was shaded in different shades of green. I saw emerald, lime and sage. My attention was quickly drawn to the bright, shiny lanterns hanging from the tree branches, and the cute fairy lights drooping to make me feel cosy. It was truly enchanting walking along the moist grass squishing between my toes refreshingly.

I saw the cool, clear water ripper-tapping down the river. I can taste a chilly breeze on my tongue and at the back of my throat. There is an unimaginable smell of flowers and pollen sitting in the air. It was magical. I walked to the end of the grass where I saw a duck in the distance. Like a magnet, I was drawn.

When I arrive at the wooden dock, I began walking forward, rainbow fish darting at my appearance. I begin lowering myself to sitting on my knees, I felt alive as if this is where I belong. I can feel the adrenaline as my fingertips reach to the water and dance in excitement. Is this where destiny has led me?

- ⑤ How! What a fantastic description! Your vocabulary is varied and chosen for effect! Especially like your descriptions of sound.
- ⑦ Try to vary your sentence starters. You use 'I' quite a lot.

JESSICA

INNER MONOLOGUE

As I opened the mystical cherry red door, I found that an interesting mystical world coloured with multiple shades of green. There were shimmering bright lights and magnificently interesting sounds (like the soft sound of the trees, the smell of fresh air and the tree pollen). I found myself in a fabulous, imaginary world.

As I perched on the dock with trees sky-scrapping over me, I could hear the water softly flowing. The bumps and jingles illuminated the bushes down to the river. As a pump of adrenaline rushed through my body, I began dancing with my piece of red cloth. I felt amazing and like a better person overall.

- ⑤ An excellent description that includes a variety of vocabulary linked to the senses. Your metaphor of trees as skyscrapers is also excellent - Well done, Jessica!
- ⑦ It's perfect - just add the comma!

Journey monologue Olivia

As I open the ruby red door, I leap out hoping to find a place to escape and feel free. A colossal emerald green enchanted forest lay upon me. The immense ancient trees loomed over me making me feel vulnerable. I finally felt at home. My nose filled with the scent of fresh luminous flowers, the grass in between my toes. It felt like a dream. The cold breeze flowed freely through my long chocolate brown hair. The sky blue lanterns gliding above me flying like a bird. This place feels so magical as if I'm in heaven. Good simile!

I sprinted over to the silvery glowing river, I towered over the miniature deck looking into the shimmering water seeing my happy reflection for the first time. I felt the icy cold water reviving me. I could taste the salty mixture that entered my mouth and flowed freely. I've always wanted to have the freedom of touching fresh water and being free.

- ⑤ Some fantastic choices of vocabulary that describes the senses, with a lovely simile. Comparing the scene to heaven - Well done!
- ⑦ Try to vary your sentence starters, many of them begin with 'the' or 'I'.

A creative writing task completed by Year Seven. The task was to write an inner monologue describing a magical forest from the book 'Journey' that included describing the five senses.

Year 6 Transition Days at Filey School. 4th - 6th July 2023.

Coast
and Vale
WHERE LEARNERS AND STAFF THRIVE

From the Invite!

On July 4th we opened our doors to our Year 6 students from our feeder primary schools for their three day transition event.

The three days were packed with a range of activities to help prepare the students for their Year 7 start in September. Students were able to attend lessons in the subjects they will be taught next year, as well as spending valuable time with their form tutors to give opportunities for a Q and A, tours of the school and be a constant re-assuring presence throughout the three days.

On a lighter note, students were treated to a musical production from our Year 10 students and a sports event, complete with an ice cream van on the final afternoon!

To completing the 'Passport' after Day 3

Hairy Bob!

During the Year 6 English transition lessons, students learned about the mysterious 'Hairy Bob's Cave' on the North Bay, Scarborough. There are many legends, myths and opinions about who created the cave and if there ever was (or is) a 'Hairy Bob'! After honing their descriptive writing skills, the Year 6 students created their own descriptions and poems about Hairy Bob.

A selection of these is displayed below:

Handwritten description of Hairy Bob:

Hairy Bob was a dark, not glowing in reality, but with a glow that is kind like a glow but a longer one. He is a stone making machine. He has long, thin arms and his feet are like he is a robot. He has a long, thin body and a long, thin neck. He has a long, thin body and a long, thin neck. He has a long, thin body and a long, thin neck.

Handwritten description of Hairy Bob:

Hairy Bob's teeth are mustard and cream. He's the scariest little creature I've ever seen. His claws are like the mountain tops. His legs are as long as a giraffe's neck. Hairy Bob loves eating his friends. His belly is like an eating machine. His fur is as fuzzy as a burlap bag and his eyes are as blue as the beautiful sea. Hairy Bob is known as a scary creature, but really he is a friendly little mister.

Fantastic description!

Handwritten description of Hairy Bob:

Hairy Bob is a little hairy blue creature with a white head and hair. He lives in the hills and is in a cave. He has very short hair that if you touch it you can be shocked and die. He has the longest arms you could see. He has a long, thin body and a long, thin neck. He has a long, thin body and a long, thin neck. He has a long, thin body and a long, thin neck.

Handwritten description of Hairy Bob:

Hairy Bob's eyes are like boulders. His nose is as red as a lobster. His teeth are like grapes. He is really a sausage.

In a long machine can make up everything I can see. Hairy Bob's body is like a long, thin body and a long, thin neck. He has a long, thin body and a long, thin neck.

WHERE LEARNERS AND STAFF THRIVE

Congratulations for Sutton Greening and Archie Barker who have both been offered a new contract with Hull City's Academy. Both of the boys will continue to train 4 times a week as well as represent the club against other professional academies such as Manchester United and Liverpool. Every 6 weeks the players go through a review process on how they have performed in training and games, with feedback being given. Both of the boys hope to continue their development and are working hard to gain a scholarship with the club when they leave school.

We wish them all the very best in their journey!

WHERE LEARNERS AND STAFF THRIVE

I joined Scarborough Sea Cadets in 2020. When you join you are given a uniform which is different to the senior uniforms (picture left).

I joined the cadets because I had a lot of friends who were involved. You get to do loads of activities such as competitions, drill and water sports.

My favourite part of being a cadet is the competitions. The picture to the left is my power boating team winning a recent competition.

I also really enjoy the marching. We have been invited down to London in November to celebrate the end of the war. I can't wait to go and represent the cadets.

Its's the best experience I have ever had!!!

A Year in Review Sports Roundup

Coast
and Vale
WHERE LEARNERS AND STAFF THRIVE

We have had a very successful year of Sport at Filey School. The Year 7 and 8 boys cross country team won some silverware after success in a series of events this year.

The Year 9 boys football team made it to the semi finals of the district cup.

Our mixed boys and girls team competed well at both the York District event and the Scarborough and Whitby district competition. Girls football at Filey school has taken off massively this year with some really impressive performances; we have some really good talent amongst the girls.

There was also a fantastic effort from our Year 10 cricket team who played their first ever event at Scarborough College.

'Race for Life' More Student Success

Coast
and Vale
WHERE LEARNERS AND STAFF THRIVE

Jess D - Year 7

Race for Life

I did the Race for Life with my Mum and dog. We set off from Scarborough SeaLife Centre and ran along the seafront before reaching the finish line back at the SeaLife Centre.

After I had completed the 5k race, I was exhausted particularly because I had to hold onto my energetic dog! It took me about 45 minutes, and it felt great as I crossed the finish line, cheered on by the people who had already finished. I received a medal too and managed to raise £85 for Cancer Research UK.

Worried about a child during the Summer holidays?

Coast and Vale
WHERE LEARNERS AND STAFF THRIVE

Where there are significant immediate concerns about the safety of a child, please contact the police on 999.

To report non-urgent incidents to the police, use 101 and request North Yorkshire police if you live in North Yorkshire or Humberside Police if you live in the East Riding.

If you believe the situation is urgent but does not require the police and you are concerned that a young person is at risk of abuse or neglect, please call 0300 131 2 131 to contact Children's Social Care in North Yorkshire. In the East Riding, contact the Safeguarding Hub on 01482 395500.

In the event of a mental health crisis for a young person, ring the CAMHS Crisis Team on 0800 0516 171. If you are worried about your child, you can contact Mrs Pickering (DSL) or Mrs Emmerson (Deputy DSL) at school, by emailing A.Pickering@fi.coastandvale.academy and J.Emmerson@fi.coastandvale.academy.

For further safeguarding information and contacts, please see the Safeguarding Area in the Parents section of the Filey School website.
