

24th September 2020

Dear Parent/Carer

Due to the current pandemic we need to plan ahead for the possibility that we may be required to provide remote learning to your child.

If the need arises we will provide learning electronically, for example using Google Classroom, and students will need access to a device and the internet. They will also be able to stay in contact with their teachers by email.

To make sure all students are able to access Google Classroom and their school email accounts easily and successfully, school does have a number of Chromebooks to temporarily loan out, if required, to students who do not have a device to use at home.

Please contact school to let us know if your son/daughter will need to borrow a Chromebook, or does not have access to the internet, by emailing admin@fs.ebor.academy

Yours sincerely

Mr G Robinson
Assistant Headteacher
