

16th April 2021

Dear student,

We are really looking forward to welcoming you to join us at Ebor Academy Filey on Tuesday 7th September 2021.

In the meantime, there are lots of things to complete and upcoming events to help both us and yourselves prepare for your arrival. We are sure that you will have lots of questions about what to expect over the next few months so we have put together the below timeline to help give you a better idea.

- In April you will receive an administration pack to help you and your parents prepare for September.
 - Enclosed will be your admission forms, consent forms for both remote learning and covid testing, along with information about our school buses to help you start planning.
- Please ask your parents to return the admission pack and consent forms no later than Friday 7th May 2021.
 - These need to be returned to the school office at Ebor Academy Filey (not your junior school)
- You will receive a welcome pack, in preparation for you joining us for two transition days.
 - We will be coming to visit you at your primary school to introduce ourselves and answer any questions that you may have. Also during our visits we will be running an exciting competition for you to complete before you join us for your transition days.

- You and your parents will be invited to attend an Information Evening (covid restrictions permitting) which will be a great opportunity to ask any questions and gather any final information before you join us in September.

- We hope you enjoy a lovely summer break. During the holidays you can prepare by buying your new uniform and getting all of your school stationary ready.
- The new term begins on Tuesday 7th September 2021

Yours faithfully
