

16<sup>th</sup> April 2021

Dear Parent/ Carer,

**Virtual Year 9 Options Evening**

We would like to invite you and your son/daughter to attend our virtual Year 9 options evening on Thursday 22<sup>nd</sup> April 2021. The evening will give you the opportunity to attend live, virtual presentations with Faculty and Subject Leaders who will discuss the content and format of their GCSE options courses and give you the opportunity to ask any questions you may have prior to confirming your child's final options choices for Year 10.

All of the subject presentations will take place using Google Meet. The timetable for these sessions will be posted on the school website and it can also be accessed directly via this link <https://filey.ebor.academy/optionsevening/>. You will find the links to specific live subject presentations on the timetable.

In order to ensure as many of you can join your child's preferred subject presentations, each session will be repeated several times throughout the evening. To enter the meetings, you will need to use your child's school Google account. An email reminder containing your child's Google login details will be sent to you prior to the evening. We respectfully ask that you mute your microphone and turn off your camera prior to joining the meetings. Any questions you have can be asked using the chat facility which will be explained during the presentations. For safeguarding purposes all of the meetings will be recorded.

Prior to the evening you may wish to consult the Academy Year 9 options booklet which can be found here: <https://bit.ly/3mJmC7Y> or by visiting the school website. We also have some useful links on the website including content from further education providers which may help you and your child select the most appropriate courses.

For reference, the options blocks are found in the table below, an options form will be distributed in the coming weeks for your child to submit their choices.

Year 9 Options Blocks 2021-2023			
Block A	Block B	Block C	Block D
Geography	History	Geography	History
Triple Science	Spanish	French	BTEC Sport
Music	IT	Art	Design and Technology
Health and Social Care	Religious Studies	Textiles	Food preparation and Nutrition

Yours faithfully,

Mr T Cartmail  
Headteacher
